

A pixelated, grayscale image of the word "XMAS" in a blocky, digital font. The letters are composed of various shades of gray and black pixels, giving it a retro, low-resolution appearance. The background is white.

A pixelated, black and white graphic of the number 73. The digits are composed of a grid of squares, with varying shades of gray and black, giving it a digital or retro aesthetic. The number 7 is on the left, and the number 3 is on the right.

A pixelated, black and white graphic of a stylized 'M' or 'W' shape, resembling a barcode or a series of vertical bars, set against a white background. The shape is composed of several vertical bars of varying heights and widths, connected by horizontal segments. The overall effect is a high-contrast, digital-style representation of the letter.
